## Power 5 Columbia Safety Boot LHR UK 614 PMC

### POWER 5 - Columbia

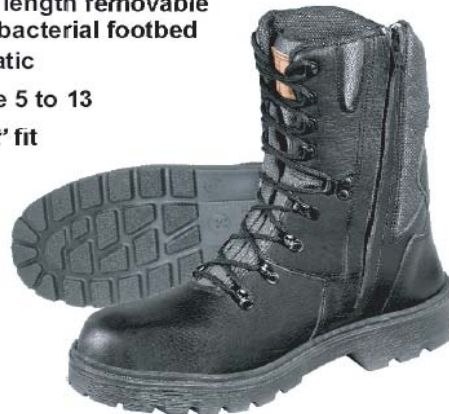

Quick release, thermal insulated high leg boot with up to the minute technology. Incorporating the latest non-metallic toe cap and midsole along with a lightweight dual density PU sole for a ultra-lightweight, ultra-flexible, durable and comfortable boot.

#### Features:

- Over 25% lighter than normal steel safety footwear\*
- **Fiberplast®** plastic cap with maximum 200 Joules protection
- **Kevlar® (non-metallic)** penetration resistant midsole
- **Hydro+** water-resistant leather uppers
- **3M Thinsulate™** thermal interlining
- Breathable, moisture absorbent lining
- Quick release zip with full bellows
- Lightweight dual density PU sole
- Deep cleated, slip-resistant tread
- 200°C heat resistant sole
- Full length removable anti-bacterial footbed
- Anti-static
- Size range 5 to 13
- Wide 'comfort' fit

Style 6946

#### Thinsulate™ INSULATION

Thinsulate™ outstanding performance characteristics. It is extremely thin, very lightweight and maintains most of its insulating characteristics even when wet.

Thinsulate™ Insulation is made up of thousands of tiny microfibers that trap miniscule pockets of insulating air space that provide the ultimate in cold weather protection.

#### Hydro+™

Performance Water-resistant Leather

Hydro+™ performance full grain leather that provides an increased level of water-resistance and absorption whilst maintaining a high level of breathability to maintain foot comfort.

Hydro+™ leather is quick drying, easy to maintain, durable and will dry soft and supple even after repeated wetting

Latest composite technology  
over 25% lighter than steel\*

#### Kevlar® Composite Pierce Resistant Midsole

- maximum protection
- ultra-lightweight
- ultra-flexible
- non-conductive
- non-sparking
- thermal insulated

#### Fiberplast® Composite Toe Cap

- maximum protection
- ultra-lightweight
- non-conductive
- non-sparking
- warm in winter
- cool in summer

\* Based on comparison of equivalent product with steel toecap & midsole
