Half Dome Helmet for Work at Height

LHR UK 380 HHD

Helmet for tower climbing, rigging, rescue and rope access - with high quality polycarbonate shell, side ventilation holes and headtorch retaining brackets.

Should be used in situations in which a significant fall could occur. Mountaineering helmets to EN12492 have stronger chin strap fastenings than industrial helmets of EN397, but may not be compatible with other PPE.

**Conformity
EN 12492**
