

# PUSH/PULL TAG LINE

## PERSONNEL TRANSFER

### 1 OVERVIEW

Billy Pugh Company's new Push/Pull Tag Line keeps your hands off the load. This custom tag line has a 4 foot rigid section to push or pull the load for "hands off" lifting. The Push/Pull Tagline is UV resistant and has no knots or raised surfaces, making it resistant to catching on pinch points or wrapping around objects. All of these features are designed with your employees' safety in mind.
