Tech SPECS

Hold It®
HAND SAFETY TOOL

HANDLE DESIGN

- Cam buckle trigger mechanism allows for quick adjustment and secure holding
- Ergonomic design of handle prevents slippage
- Integrated 4" hand guard acts as a barrier to protect hands and fingers
- End loop can be used as a convenient pull and wrist strap

HEAD DESIGN

- Impact-resistant rubber end cap securely holds object in place
- Adjustable loop to securely hold a variety of objects from 0.75" up to 6" in diameter (depending on model)
- Loop made from strong yet lightweight polyester webbing offering low stretch and resistance to abrasion, UV rays, and water absorption

SHAFT DESIGN

- Available in 3 convenient lengths to fit your needs
- Shaft made from lightweight UHWM material that is shatterproof and impact resistant
- Hi-Viz Orange color for maximum visibility
